INTERNSHIP EXPERIENCE

IT Support Intern June 2025 – July 2025

Hertz Panels Pvt Ltd

- Assisted with basic system maintenance, software installation, and troubleshooting of hardware and network issues.
- Provided technical support to employees and resolved day-to-day IT problems.
- Gained hands-on experience in IT support operations and improved problem-solving efficiency.

PROJECTS

Emoji Statistic Game Webpage

Developed an interactive web-based game that uses emojis to display and track player statistics. Implemented game logic, score tracking, and a user-friendly interface using HTML, CSS, and JavaScript.

Portfolio Website

Designed and developed a personal portfolio website to showcase projects, skills, and achievements. Built with HTML, CSS, and JavaScript, featuring a clean and responsive layout for seamless viewing across all devices.

College Route Map – Role: Layout Design

Designed and developed an interactive college route map to assist users in navigating campus locations. Responsible for designing the road map layout including routes, paths, and location markers with a clear, user-friendly interface using HTML, CSS, and JavaScript.

Symposium Registration Site – Role: Animation & Interactivity

Developed a web-based registration portal for a symposium, enabling users to register and submit details seamlessly. Built using HTML, CSS, and JavaScript with animations and an intuitive user interface.

TECHNICAL SKILLS

Programming Languages: Python, Java
Front-End Development: HTML, CSS, JavaScript
MS Office Tools: Microsoft Excel, Word, PowerPoint
Design & Development Tools: Figma, VS Code
Other: AI Prompting

CERTIFICATIONS
